This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

ABSTRACT

FROM

THE RULES AND ORDERS

OF THE

TURF CLUB.

Admission, Payments, Exemptions, &c.

1. Any person desirous of becoming a Member of the Coffee-room must have his name put over the chimney-piece of said room in the Turf Club House, Kildare, one day before the day of ballot, and be proposed by a Steward of the Turf Club, or by a person appointed to act as Steward during the Meeting in which he is so proposed, and be seconded by another Member. To constitute a ballot, there must be, at least, seven Members present, one of whom to be the Steward proposing. One black bean in seven, two in eleven, and three in any number, to exclude. No ballot till the admission money, which is Three Sovereigns, is paid to the Secretary.

[That, in consequence of the small attendance of Members of the Turf Club in Kildare, the present Rule for Balloting for Members shall be suspended until April Meeting, 1854, and the following Rule substituted:]—

That the Steward, or Stewards, and Members of the Turf Club, then present in Kildare, shall be sufficient to form a ballot, provided the person to be balloted for has been put up in the usual manner; and if seven or a less number shall ballot, one black bean to exclude.

2. Any Member of the Coffee-room desirous to become a Member of the Turf Club, must have his name put over the chimney-piece of the Coffee-room and Turf Club Dinner-room one day before the day of the ballot, and be proposed, seconded, and balloted for as for the Coffee-room. Three Sovereings additional to be paid to the Secretary before the ballot takes place.

3. Annual Subscription of One Sovereign to be paid by each Member of the Coffee-room, and Three Sovereigns by each Member of both, on Monday of each April Meeting, and this sum to be considered in full of all arrears to both. And no Member of the Turf Club can be allowed to dine with the Club, or can any Member be allowed into the Coffee-room, until his subscription is paid.

4. Members of Kildare-street Club and Hibernian United Service Club are admitted Members of the Turf Club and Coffee-room at Kildare without a ballot, on paying the usual admission money, and Members of those Clubs are admitted Honorary Members of the Club on payment of One Sovereign each Meeting.

5. Any Member of the Turf Club or Coffee-room wilfully infringing the Rules and Regulations of the Club, or whose conduct in or out of the Club after his election shall be derogatory to his station in society, such Member shall be subject to expulsion under the award of a General Meeting, to be expressly convened, for the purpose of investigating the charges brought against him; the opinion of such General Meeting to be obtained by ballot, when, *if two-thirds* of the Members present at such

General Meeting decide that the offending Member has merited expulsion, he shall thereon cease to be a Member of the Club.

6. That for the future each Member of the Turf Club attending at the Curragh Meetings shall be obliged to pay One Sovereign subscription towards the Handicaps.

7. Each Member of the Turf Club shall pay the Keeper of the Match Book Two Sovereigns each Meeting, otherwise he is not obliged to keep an account for such Member. He is also entitled to Five Shillings for every signature to every Article; and he is not to receive any nomination unless accompanied with that sum. Should Articles be sent him from Country Stewards, they must be accompanied with Five Shillings.

8. Military Officers on duty out of Ireland shall not be liable to pay the Annual Subscription for the time they may be so absent, on their signing a declaration to that effect.

9. The Club House being in a delapidated and ruinous state, it was agreed to in June Meeting 1815, that each Member of the Turf Club who had not subscribed should pay Five Guineas towards the erection of a new Club House, said sum to be paid before the last day of the then next October Meeting; and that any Member neglecting to pay the same should be no longer considered a Member, but might be balloted for at any subsequent Meeting, and, if admitted, should not be liable to pay any other admission than said Five Guineas.

10. Winners of Prizes exceeding 50 sovs shall

pay 4 sovs, all others 2 sovs for Scales, Straw, and Judge; and, when the race is heats, half a sov to the Distance Man; and such sums are to be paid when compromise or forfeit are received, whether the horse receiving walk over or not.

11. Winners of Prizes or Stakes exceeding 100 sovs in their clear value, and under 200 sovs, shall pay Five per cent; of 200 sovs or upwards, Ten per cent on the sum actually paid; and the Fund thus raised shall, after defraying the Rent and necessary expenses of the Club House, be appropriated by the then Stewards to Racing purposes.

12. That for the future the Keeper of the Match Book shall be allowed to retain the following sums from Winners of all Stakes, &c. run for at the Curragh:—Where the sum won shall amount to 250 sovs or upwards, 5 sovs; under 250 sovs, and amounting to 65 sovs, 2 sovs.

13. Any Member of the Turf Club, residing within two miles of the Curragh, who shall entertain at dinner a Member of the Club, shall pay to the Keeper of the Club One Guinea for himself, and One Guinea for each Member each day during any Meeting. To be ascertained on honour of the Member entertaining.

Appointment of Stewards, their power, &c.

14. The Stewards of the Turf Club are three in number, the senior of whom is to retire, and his successor to be appointed after dinner on Friday of each April Meeting, by ballot of the Members present.

15. Whenever any of the Stewards shall be absent from a Meeting, the Steward or Stewards attending

shall, on Monday of the Meeting, appoint a person or persons to act in his or their place during such absence; and, in case no Steward shall attend, three persons to act as Stewards in their absence during the Meeting shall be appointed by ballot of the Members present on said day.

16. That for the future all Races, as well as Nominations for Stakes, now or hereafter to be made, of every description, to be run for on the Curragh, (except Queen's Plates,) shall be under the sole and exclusive controul of the Stewards of the Turf Club, and are to be run for under the rules and regulations laid down and published in the Turf Club Rules; and should any dispute, difference, or misunderstanding arise or take place relative to any race or nomination run or to be run for on the Curragh, or should any difference exist or take place relative to the wording, meaning, or intention of any Article for any race or nomination that is to be run for on the Curragh, all or any of such matters to be subject to the *sole* decision of the Stewards of the Turf Club, or to such persons as they may appoint; and their decision in any and every instance shall be final and binding on all the parties.

17. That in future all objections to the payment of the Winners of Stakes won on the Curragh must be lodged with the Keeper of the Match Book at or before twelve o'clock on the day but one after said race has been won; and that after that hour, when no notice to the contrary has been served upon the Keeper of the Match Book, he shall be released from all liability or responsibility that may be caused by his paying the winner.

18. The Stewards will determine disputes relative to Horse Racing referred to them from Country Meetings, provided a statement of facts is agreed to, signed by the parties concerned, and that they sign an agreement to abide by such decision; such reference to be made with the sanction of the Stewards of the races where the case occurred: the Article for the race on which such dispute may originate to have been previously advertised in the *Racing Calendar*, and the case to be accompanied with One Sovereign. But in cases where *facts* alone are disputed, (such as a complaint of foul riding or the like,) the Stewards will not decide.

19. The Stewards will not weight horses for Country Stakes unless the Articles for same close by 9 o'clock on the Thursday evening of each Meeting, and the Weights to be made during that Meeting; nor unless such Articles be previously advertised in the *Racing Calendar*, and the charges for such advertisement will be subject to the controul of the Stewards.

20. The Stewards may make such regulations as they shall think proper in regard to the Courses and Exercise Ground.

21. The Stewards may invite such persons, not being natives of Ireland, as they may think fit to dine at the Turf Club.

22. The three Stewards, concurring, may appoint any person or persons to act as Keeper of the Match Book, receive the Stakes, collect the Entrance Money, &c. &c.

23. The Turf Club Fund Accounts are to be examined by the Stewards on Friday of each April

Meeting, and the Stewards are to produce an account of the Funds and Disbursements of the Club on each year after said accounts have been inspected by them.

24. The Stewards are to appoint a proper person to examine as to the Ages of every colt and filly the first time such colt or filly shall run at the Curragh.

25. It rests with the Stewards also to fix the hours of starting, and they are to do so by 9 o'clock on the evening preceding the day of running; at which time notice of such hours as they shall fix is to be posted in the Coffee-room by the Keeper of the Match Book, which is to be strictly adhered to by the Starter and Grooms; and, should the horse not be ready to start within a quarter of an hour of the time so appointed, the person who trains him will be fined One Sovereign and the owner Two Sovereigns; which fines must be paid before the horse is allowed to start.

32. All Bets between two horses are annulled, should those two horses become the property of one and the same person subsequently to the Bets being made.

33. That the Betting for the future against horses for the following races shall be considered P.P.:—

36. Forfeits to P.P Bets shall be paid in proportion as principals compromise Matches.

RULES

CONCERNING

HORSE RACING IN GENERAL.

Horses take their ages from 1st of January.

1760 Yards are a Mile.

240 Yards are a Distance.

Four Inches are a Hand.

Fourteen Pounds are a Stone.

Catch Weights are each party to appoint any person to ride without weighing.

Give-and-take Plates are fourteen hands to carry a stated weight; all above or under to carry extra, or be allowed the proportion of seven pounds for an inch.

A Whim Plate is weight for age and weight for inches.

A Post Match is to insert the age of the horses in the articles, and to run any horse of that age without declaring what horse till you come to the post to start.

A Handicap Match is for A, B, and C to put an equal sum into a hat. C, who is the Handicapper, makes a Match for A and B, who, when they have

perused it, put their hands into their pockets and draw them out closed: then they open them together, and if both have money in their hands, the Match is confirmed; if neither have money, it is no Match. In both cases the Handicapper draws all the money out of the hat; but if one has money in hand, and the other none, then it is no Match; and he that has money in his hand is entitled to the deposit in the hat.

The horse that has his head at the ending post first, wins.

Riders must ride their horses to the weighing post to weigh; and he that dismounts before, or wants weight, is distanced.

If a rider fall from his horse, and the horse is rode in by a person that is sufficient weight, he will take place the same as if it had not happened, provided he goes back to the place where the rider fell.

Horses' plates or shoes not allowed in the weight.

Horses not entitled to start without producing a proper certificate of their age, if required, at the time appointed in the articles, except where aged horses are included; and in that case a junior horse may enter without a certificate, provided he carries the same weight as the aged.

For the best of the Plate, where there are three heats run, the horse is second that wins one.

For the best of the Heats, the horse is second that beats the other twice out of the three times, though he does not win a heat.

A confirmed bet cannot be off without mutual consent.

Either of the bettors may demand stakes to be made, and, on refusal, declare the bet void.

If the party is absent on the day of running, a public declaration of the bet may be made on the course, and a demand whether any person will make stakes for the absent party. If no person consents to it, the bet may be declared void.

Bets agreed to pay or receive in town, or at any other particular place, cannot be declared off on the course.

If a Match is made for any particular day in any Meeting, and the parties agree to change the day, all bets must stand; but, if run in a different Meeting, the bets made before the alteration are void.

The person that lays the odds has a right to choose his horse or the field.

When a person has chosen his horse, the field is what starts against him; but there is no field without one starts with him.

If odds are laid, without mentioning the horse before it is over, it must be determined as the bets were at the time of making it.

Bets made in running are not determined till the Plate is won, if that bet is not mentioned at the time of betting.

Where a Plate is won by two heats, the preference of the horses is determined by the places they are in the second heat.

Horses running on the wrong side of the post, and not turning back, distanced.

Horses drawn before the Plate is won are distanced.

Horses distanced if their riders cross and jostle, when the articles do not permit it.

If a horse wins the first heat, and all others draw, they are not distanced if he starts no more; but if he starts again by himself, the drawn horses are distanced.

A bet made after the heat is over, if the horse betted on does not start, is no bet.

When three horses have each won a heat, they only must start for a fourth, and the preference between them will be determined by it, there being before no difference between them.

No Distance in a fourth heat.

Bets determined, though the horse does not start, when the words absolutely run, or pay or play, are made use of in betting.

Example—I bet that Robinson's b h Sampson absolutely wins the King's Plate at the Curragh next Meeting. The bet is lost though he does not start, and won though he goes over the course by himself.

A bet made that a horse wins any number of Plates in a fixed time is void if he does not start for one. After he has started for one, provided there is a field, the bet is lost if he starts no more.

In running of heats, if it cannot be decided which is first, the heat goes for nothing, and they may all start again, except it be in the last heat, and then it must be between the two horses that, if either had

won, the race would have been over; but if between two, that the race might not have been determined, then it is no heat, and the others may start again.

Horses that forfeit are the beaten horses where it is pay or play.

Bets made on horses winning any number of Plates that year remain in force till the first day of May.

Money given to have a bet laid not returned if not run.

To propose a bet, the person that replies "done" to it makes it a confirmed bet.

Matches and bets are void on the decease of either party before determined.

No allowance for waste for any race except a Plate.

THE THOROUGH-BRED HORSE

BROWN MOLTON

Will serve a limited number of Mares this season at KILLYNON, county Westmeath, within five miles of Mullingar, five of Castletown Delvin, seven of Kinnegad, and seven of Castlepollard.

Bred Mares Four Guineas; all others Two Guineas, and

a crown to the groom, James Reynolds. The money to be paid at first service.

Brown Molton is a beautiful dark brown, free from white, with the exception of a small star. He stands 15 hands 3 inches high, with great bone and muscle, and free from any blemish. From his perfect action and beautiful shapes, he must produce good stock.

Good grass at 8d. per night, and the strictest attention paid to mares and foals.

The Proprietor will not be accountable for any accident that may happen to mares sent to this horse.

BASHFUL

Will stand this season at the CLUB HOUSE, KILDARE. He will be let to Mares on the following terms, viz.—

Thorough-bred Mares, Four Sovereigns. Half-bred Mares, One Sovereign.

Thorough-bred Mares who have been winners, or who have produced a winner of over £50, not including their own stake, will be served gratis.

Any person putting three Mares to Bashful shall have one served gratis.

Groom's fee in all cases, 2s. 6d.

Bashful was bred in 1841, was got by Glaucus (brother to Hymen, sire of Corranna) out of Modesty, by Fungus, gr-dam by Juniper out of Trimbush by Teddy-the-grinder, great-gr-dam Princess by Sir Peter.

Glaucus was got by Partisan, own brother to Promise (the dam of Freney,) out of Nanine by Selim, her dam Bizarre by Peruvian, out of Violante by John Bull—sister to Skyscraper by Highflier, Everlasting by Eclipse, Hyena by Snap, Miss Belsea by Regulus, Bartlet's Childers, Honeywood's Arabian—dam of the two True Blues.

Partisan was got by Walton out of Parasol, by Pot-8-os out of Prunella, by Highflier.

Bashful is a beautiful dappled bay, with black legs without any white, a remarkably handsome head, fine lengthy rein, oblique shoulders, broad chest, with round ribs, short back, large muscular quarters, capital legs and feet, 15 hands 3 inches in height, was esteemed for his magnificent racing action, is a splendid stepper on the road, a most accomplished fencer, and possesses that essential qualification, the most docile of tempers.

Bashful has covered but four seasons, and but one of his produce has appeared in public, viz. Finance out of Brazil, an untried mare. Finance won the Two Year Old Stakes at the Heath, beating the produce of Birdcatcher, Magpie, Tearaway, &c.

Bashful's stock are most promising—50 sovs having been refused for a yearling by him out of a half-bred mare.

The owner will not be accountable for any accident that may happen to mares.

Good grass, bran, &c. at the usual prices.

The money to be paid at first service. Should it remain due after the 1st of November, double the amount will be charged.

CORRANNA,

A bay horse of great power, by Hymen, brother to Glaucus, dam by Perchance, gr-dam by Walton—Sorcerer—Medora's dam, by Sir Harry, will stand at CURRAGHMORE, Carrick-on-Suir, this season, at Five Pounds, and 5s. to the groom.

The owner of Corranna has subscribed to the National Stakes for mares to be covered in 1852, and to run in October, 1855.

CROZIER.

CROZIER will serve Mares this season (1852) at ARDEE, county of Louth, Ireland, within four miles of the Dublin and Belfast Railroad at the Dunleer station.

Thorough-bred Mares, Four Sovereigns. Winners and Dams of winners of 100 sovs. Three Sovereigns. Half-bred Mares, Two Sovereigns; and 2s. 6d. to the groom.

Crozier is half-brother to Surplice, by Lanercost (sire of Van Tromp, winner of the Doncaster St. Leger,) out of the famous Crucifix (winner of the Oaks,) by Priam (winner of the Derby, &c.) by Emilius, out of Cressida by Whiskey, (sister to Eleanor, winner of the Derby and Oaks races, &c.)—Emilius by Orville out of Emily (a daughter of Stamford)—Orville by Beningbrough, out of Evelina by Highflier. Thus it will be seen he is descended in a direct line from the Duke of Grafton's celebrated mare, Penelope by Highflier, and Whiskey.

Lanercost was got by Liverpool out of Otis, by Bustard, son of Buzzard, out of Gayhurst's dam by Election, sister to Skyscraper—Liverpool by Tramp out of the Whisker mare; her dam Mandane by Pot-8-os, &c.—See handbills.

Crucifix was got by Priam (by Emilius) out of Octavianna, by Octavian, Shuttle—Zara by Delpini—Flora by King Fergus, &c. &c.

Crucifix won upwards of eleven races before she reached three years old, and her net winnings exceeded £11,000, including the Chesterfield, the Hopeful, the Clearwell, the Prendergast, the Criterion, the Levant, the Molecomb, the Oaks, the 2,000 Guinea and 1,000 Guinea Stakes.

Crozier, now only 7 years old, bears a strong resemblance to his dam, is a very dark bay, with black legs, full 15 hands 3 inches high, with great strength and racing qualities: he is very fruitful and of universal good temper, and his foals are very strong, with great muscle and racing appearance.

There are thirty boxes for mares and foals, with safe paddocks. Keep of mares only 10d. per night.

N.B.—The owner of Crozier has subscribed to the National Stakes for mares to be covered in 1852, and to run in October, 1855.

Mares covered by Crozier this season will be entitled to the allowance as an untried stallion.

Reference to Mr. Hatch, Ardee Castle, or C. Campbell, groom, Ardee.

Ardee Castle, 1st January, 1852.

THE DEY OF ALGIERS,

By Priam (winner of the Chester Cup, &c.)

Being his first year in Ireland, and as encouragement to Breeders of the Turf,

Will serve Mares this season (1852) at ARDEE, county of Louth, Ireland, within four miles of the Dublin and Belfast Railroad, at the Dunleer station.

Thorough-bred Mares, Four Pounds. Winners and Dams of winners of £100 and upwards, Three Pounds. Half-bred Mares, Two Pounds; and 2s. 6d to the groom.

The Dey of Algiers is a dark bay horse, of very racing appearance, stands full 16 hands high, with very strong black legs and muscle, has a beautiful head and rein, fine shoulders and remarkably strong loins and quarters: he has also peculiarly fine action, with mild temper (a quality so essential,) and possesses every perfection requisite for a race-horse or hunter.

The Dey of Algiers was bred by Colonel Peel, and got by the celebrated Priam (winner of the Derby, &c.) out of the Bustard mare bred by Mr Wightwick, and got by Bustard (son of Castrel,) her dam by Walton out of Gipsey, by Guildford, &c.—Priam, bred by Mr. William Chifney, and got by Emilius out of Cressida (sister to Eleanor, winner of the Derby and Oaks races, &c.) by Whiskey out of Young Giantess (Sorcerer's dam,) by Diomed, Giantess by Matchem, &c.—Walton by Sir Peter Teazle out of the Dungannon mare (Arethusa,) &c.—Guildford by Herod out of Tulip (sister to Pacolet,) by Blank, &c.—Emilius by Orville out of Emily by Stamford, &c.—Orville by Beningbrough out of Evelina, by Highflier, &c.—Beningbrough by King Fergus (the best son of Eclipse,) &c.—Diomed by Florizel, the first winner of the Derby in 1780, &c.—Thus it will be seen The Dey of Algiers is descended in a direct line from the fastest and most fashionable "racing blood" in England—viz. Whiskey, two crosses by sire and dam, Sir Peter Teazle and Highflier; and to Herod, Waxy, King Fergus, Eclipse, &c. through Guildford, Evelina,

Pledge, and Beningbrough, &c. The Dey of Algiers was a first-class race-horse.

N.B.—There are thirty boxes for mares and foals, with safe paddocks, and keep of mares only Ten-pence per night. Application to engage mares, &c. to be made to Mr. HATCH, Ardee. An early application is necessary, as he will be limited.

C. CAMPBELL, Groom, Ardee.

Ardee Castle, 1st January, 1852.

FAUGH-A-BALLAGH,

Winner of the Great Doncaster St. Leger, the Grand Duke Michael and Cesarewitch Stakes at Newmarket, in 1844; also same year beat Corranna a match of 1,000 sovs. aside at Doncaster, will serve mares this season at Mr. J. PAINTER's Stables, DEANS-HILL, near Stafford,

At Twelve Guineas each mare.

Faugh-a-Ballagh stands 16 hands high: he is a beautiful rich dark brown, free from white (except a small star,) with good substance, and fine racing powers; sound constitution, and fine action. He proved himself decidedly the best horse of his year, having won upwards of 7,000 guineas when three years old. His Cesarewitch running stands unequalled, and is the best on record, having beat horses of all ages at unprecedented weights, giving those of his same year from one to three stone.

He is by Sir Hercules, out of Guiccioli, and is own brother to Birdcatcher; which horse is sire of The Baron, winner of the Doncaster St. Leger and Cesarewitch Stakes at Newmarket, in 1845.

Faugh-a-Ballagh's stock are remarkably promising in every respect, size, shape and action. He is the sire of Avia, who won three times—of Ethelwolf, winner of the Longner Stakes at Shrewsbury—of Goldfinder, winner of the Cleveland Handicap at Shrewsbury, and the Leamington Stakes at Warwick—of Guardsman, winner of five

races—of Knight of the Garter, three times a winner—of Lady Anyott, once a winner—of Le Juif, winner of three races—of Manilla, winning twice—of Miss Wooliger, twice a winner—of Runnymede, once a winner—of Stafford, twice a winner.

N.B.—The greatest attention will be paid to mares sent. Hay and grass at the usual prices. Corn, if ordered, at the market price.

HARKAWAY,

Winner of twenty-five races, five of which were Cups, and nine Royal Plates—in all £6,320,

Will stand this season at ROSSMORE LODGE, Curragh, Kildare, (within half a mile of the Railway Station) at the moderate price of Six Guineas for Thorough-bred Mares—Half-bred Three Guineas, and 5s. to the groom.

Harkaway was got by Economist, dam Fanny Dawson, by Mr. John Kirwan's Nabocklish; her dam Miss Tooley (also the grand-dam of Mr. Kelly's Chanter, Drone, and Regulator) by Teddy the Grinder, out of Lady Jane, (sister to Hermione, winner of the Oaks in 1794) by Sir Peter Teazle, Paulina, by Florizel, Captive by Matchem, Calliope by Slouch, Atalanta's dam (Lass of the Mill) by Oroonoko, Lass of the Mill (sister to Clarke's,) by Traveller, &c. &c.

Economist was got by Whisker (own brother to Whalebone and Wire, and winner of the Epsom Derby in 1815,) his dam Floranthe by Octavian, her dam Caprice by Anvil, out of Madcap by Eclipse, Blank (son of the Godolphin,) Blaze, &c.

Octavian, who won the Doncaster St. Leger in 1810, was got by Stripling, his dam by Oberon (son of Highflier) out of a sister to Sharper, by Ranthos, which sister to Sharper was the great-gr-dam of Shuttle, Pope, and Cracow. Stripling was a son of Sir Joseph L. Key's Phenomenon, out of Laura by Eclipse, Phenomenon by

King Herod, out of Frenzy by Eclipse. Anvil was got by King Herod, his dam by Feather (son of the Godolphin,) out of Crazy by Lath (one other son of the Godolphin.) He is probably the nearest covering sire, and has more of the Godolphin blood than any horse now living.

Stripling's great-gr-dam and Phenomenon's was the same mare, Lass of the Mill by Traveller. He has thus through his sire and dam three crosses of this greatly esteemed mare.

Harkaway is sire of The Horn of Chase, Cheaseaway, Chevy Chase, Peep-o'-day-boy, Ballinafad, Sobraon, Elopement, Eva, Grasshopper, Kissaway, May Day, Old Fox, Quasimodo, Tom Moody, and several other winners.

No accountability of the Proprietor for any accidents happening to mares put to him.

Good grass at 1s. per night; corn and bran, if desired, at market price.

Rossmore Lodge, January, 1852.

THE CELEBRATED RACE-HORSE

HORN OF CHASE

Will stand this season (viz. 1852) at PETER COLGAN'S, Curragh, near Kildare, (half a mile from the Station-house,) at the moderate price of Three Guineas for Thorough-bred Mares, and 5s. to the groom. Half-bred Mares half price.

He was got by Harkaway, his dam (also the dam of Chaseaway, Chevy Chase, his own sisters, and The Hunting Horn, purchased by Mr Watts for a large price, his own brother, and Polish) by Philip the First; her dam by Giles, great gr-dam by the Sligo Waxy out of the speedy Penelope, the dam of Cora, Telemaque, and Lilias, by Swordsman; her dam the Trumpator mare dam of Eleanor, Rosetta, Medora, who produced Rockingham, who won the St. Leger, own sister to Prunella by Highflier, the gr-dam of Whalebone, Wire, Whisker, and Web.

Chaseaway won the Sligos and three Queen's Plates in 1851, beating The Marquess that Mr Watts sold a short time before for £1,000 to Lord Waterford.

Chevy Chase won the Pagets in October last.

Horn of Chase stands 16 hands high. In 1846 he won the Anglesey Stakes of 10 sovs each, beating The Irish King, Sister to Johnny, Posy, Vesta, Calcavella, Watchdog, and two others. On Thursday of the same Meeting he won a two year old stakes of 50 sovs, carrying 6lb additional, beating The Irish King and Mogador—Chat and five others paid. He walked over for a Sweepstakes of 30 sovs, 20 ft; seven others paid. He then went to England, was tried there to be an uncommonly good horse, but met with an accident before he could run his heavy English engagements.

The Proprietor not accountable for any accidents happening to mares put to him.

Good grass at 1s. per night. Oats and bran, if required, at market price.

Money to be paid to the groom before any mare is removed. JOHN DOYLE, Groom.

KING FISHER

Will stand this season, 1852, at BALLYSHANNON HOUSE, within three miles of the Curragh.

Bred Mares Four Sovereigns; 5s. groom. Half-bred half price.

He stands 16 hands high, is a very dark bay, perfectly sound. From his perfect action, beautiful shapes, and remarkable good temper, he must produce first-rate stock.

King Fisher's performance, with high weights, proves him possessed of stoutness and speed. He is a winner of Queen's Plates and several other races at the Curragh and elsewhere, always carrying the top weights, (see Calendar.) He is got by Birdcatcher out of Fairy Queen's dam, by Drone out of Sincerity, by Loyal, Legacy's dam.

The Proprietor will not be accountable for any accident that may occur to mares.

Good grass at 8d. per night. Hay, &c. if ordered, at market price. Season to end July 1st, 1852.

For further particulars apply to THOMAS KENNEDY, Esq. Ballyshannon House, Kilcullen Bridge.

MAGPIE

Will stand this season at JOCKEY HALL, Curragh, Kildare. Blood Mares Ten Pounds and 5s. to the groom, A limited number of Half-bred mares at 3 sovs. and 5s. to the groom. Grass at 1s. per night.

POLISH

(The property of J. D. BASHFORD, Esq.)

Will stand this season from the 1st of February until the 1st of August, at CORMOY, near Carrickmacross.

Thorough-bred Mares, Four Guineas; groom's fee, 5s. Half-bred Mares, half price.

Polish is got by Rust out of Victoria (dam of The Horn of Chase, winner of the Angleseys and other two years old races at the Curragh, carrying extra weights, in 1846,) by Philip the First; her dam by Giles; her dam by the Sligo Waxy out of the Speedy mare Penelope (the dam of Cora, Telemaque and Lilias,) by Swordsman (by Prize-fighter out of Zara, by Eclipse,) her dam the Trumpator mare (dam of Eleanor, Rosetta, Medora, and others) out of Peppermint, own sister to Prunella by Highflier, the gr-dam of Whalebone, Wire, and Whisker.

Rust was got by Master Robert out of Vermillion, by Bobadil (son of Rubens) out of Wire.

Master Robert was got by Buffer out of Spinster, by Shuttle, her dam by Sir Peter out of Bab, by Bordeaux. Sperenza (sister to Saltram, sire of Whiskey) by Eclipse, Robert is the well known sire of Chanter, Drone, and Regulator.

It may be collected by any good judge of pedigree, from the above, that Polish has got four crosses of Woodpecker, that far-famed Newmarket blood—two direct and two through Buzzard, and his very best descendants, the distinguished brothers, Selim and Rubens—three of the rare blood of Trumpator, through Remnant, Wire, and Penelope. He has three crosses of Waxy, through Wire, the Sligo Waxy, and Musician, all the very best Waxy lines—three crosses of that invincible line for speed, Florizel: thus—one through Fancy, Diomed's sister; one through Diomed himself in Langar's dam, also the dam of Sir Charles Bunbury's Sorcerer; one through Prizefighter in Buffer; and he has Florizel's own brother, Bourdeaux, through Robert's dam.

Polish is a rich grey, stands 15 hands 3 inches high, with fine muscular shoulders, angular Arabian quarters, immense power, symmetry and substance, good temper and a constitution unimpaired. He is extremely like Master Robert and cannot fail in getting good race-horses.

Money to be paid at first service, as the groom is accountable.

Good grass for mares at 7s. per week. Oats and bran at market price.

The Proprietor will not be accountable for any accident that may happen to mares sent to this horse.

JAMES CANNING, Groom.

Cormoy, Jan. 1, 1852.

SEAHORSE

Will stand this season at CURRAGHMORE, Carrick-on-suir, at Five Sovereigns and 5s. to the groom.

Seahorse is by Camel, dam Seabreeze by Paulowitz, gr-dam Zephyretta by Headley, great-gr-dam by Diomed, first winner of the Derby.

Camel is son of the renowned Whalebone, brother to Whisker, Wire and Web, dam by Selim (sire of Langar and Sultan,) gr-dam Maiden by Sir Peter, great-gr-dam Matron by Florizel, great-great-gr-dam Maiden by Matchem.

Seahorse is own brother in blood to Touchstone and Launcelot, both winners of the great St Leger Stakes at Doncaster, and of Caravan, one of the stoutest and best runners of his day. Touchstone, by Camel, stands at 40 gs, and is sire of Cotherstone, the largest three year old winner on record; amongst whose performances are—winning the Column, Riddlesworth, Two Thousand Guinea Stakes, Derby, &c. &c.; also sire of Blue Bonnet, winner of the St Leger in 1842; also sire of Orlando, winner of the Derby in 1844, and sire of Mendicant, winner of the Oaks in 1850. Altogether this rare combination of blood is unrivalled—Whalebone having produced Sir Hercules, sire of Faugh-a-ballagh and Birdcatcher (sire of The Baron,) and also Defence, sire of The Emperor, and other celebrated horses. Orlando is sire of Teddington, winner of the Derby in 1851.

Seahorse's performances place him in the very first rank as a race-horse, having in the Newmarket Second Spring Meeting, 1842, won the Plate for three years old, beating in a canter a field of ten, comprising amongst others, Ballinkeele (previously purchased for £2,000) and Robert de Gorham, who ran second for the Derby.

In the same year he ran second for the Drawing Room Stakes at Goodwood out of a large field, beating Attilla, winner of the previous Derby.

Same year he won the Wolverhampton St Leger, where he defeated with ease some of the best horses of his year.

His last and best performance was also in 1842, in which he ran a desperate second for the great Leger Stakes at Doncaster, after one of the worst starts on record. In this race he again defeated Attilla and Ballinkeele, likewise Fireaway (winner of the Liverpool Leger,) Priscilla Tomboy, and fourteen others.

Seahorse is a rich dark brown, fully 16 hands high, combining the most pleasing symmetry with amazing power in bone and sinew, and possessing that rare desideratum in a race-horse, a most docile temper. His shapes and great power should be a guarantee for the production of high-priced weight-carrying hunters.

Money to be paid at first service. Every accommodation for mares and foals, but the Proprietor will not be accountable for accidents.

The present Proprietor of Seahorse is a subscriber to the Great National Produce Stakes to be run for in 1855, and for mares to be covered in 1852.

SIMOOM

Will cover Thirty Mares, besides those of his Owner, at KILDARE, at Ten Guineas and One Guinea to the Groom.

Simoom has never yet covered a mare of high character as a brood mare till last season ; nevertheless, his produce have had speed and endurance, and nearly all have been winners. Aaron Smith, Wanota, sister to ditto, The Model, Shylock, Barbarian, winner of the Irish National, and others, were got by this horse. He is dark brown, 16 hands 1 inch, no natural unsoundness, and his stock are powerful and sound.

The Owner will not be responsible for accidents.

All communications to be addressed to Owner or Mr LYALL, Caledon. JOHN CANE, Groom.

Caledon, 1st Jan. 1852.

THE STAR OF ERIN

Will, at the request of many Breeders, stand this season at JOHNSTOWN, joining Annesbrook, one mile from Duleek, on the Dublin road, and five from Drogheda.

Thorough-bred Mares, Five Sovereigns and 5s. to the groom. Half-bred Mares, Two Sovereigns and 2s. 6d. to the groom.

The Star of Erin was bred by John Armstrong, Esq. of Graigavoreen, and got by Ishmael out of that famous

brood mare Puss, dam of Vulcan, Beatrice, The Bride, Pay-the-way, Venus, Vesta, and The Darter, (all winners.) Puss was got by Teniers out of Cora, by Peruvian, Alexander, Sweet William, &c. &c. Ishmael is by the famous Sultan, sire of Bay Middleton, who was sire of the Flying Dutchman, winner of the Derby, Leger, and Doncaster Cup and Stakes, to the amount of £20,000, out of the celebrated Cobweb. The Star is perfectly sound, free from blemish, nine years old off, stands 15-3 hands high, of a rich golden chesnut, and for symmetry of shape, combined with power and substance, he challenges competition. He possesses the best temper and constitution, and from his powerful short legs and fine fencing, likely to get superior hunters. He has won several races, at long and short distances, carrying the highest weights the last year he ran, beating amongst various others, Fireaway, King Dan, Colleen Dhas, and Warp. For his performance see Racing Calendar. The Star is half-brother to Switcher, Burgundy, Rifle Boy, Blue Devils, and several other winners. Puss, with her foal by Birdcatcher, was purchased by the Marquess of Waterford for 400 guineas.

The Star of Erin's produce challenge competition for their size and racing appearance.

He covered but one thorough-bred mare in 1847—an untried one—which produced Kick-up-the-dust, winner of the Sweepstakes at the Curragh June Meeting, 1850. At the Curragh April Meeting she won 65 sovs and Her Majesty's Plate of 100 gs for mares. At the Chester Spring Meeting she won the Grosvenor Stakes, Her Majesty's Plate, and ran second for the Grand Stand Cup, beaten only by a head; also £80 at Eglinton Park. At the Curragh September Meeting she won the Wellingtons and Her Majesty's Plate of 100 gs for mares, beating The Countess and Caprice; and at the Curragh October Meeting she won the Royal Whip, carrying 9st 11lb, four miles, beating Dauphin, Cyprus, and Mallet. Total in 1851, £515.

The Proprietor will not be accountable for any accidents which may happen to mares. Service to be paid on or before the 5th of November, or double will be charged.

JAMES REILLY, Groom.

SWEETMEAT,

By Gladiator, out of Lollypop, by Starch or Voltaire,

Will stand at ANNFIELD, a quarter of a mile beyond Diswellstown, Castleknock, and four miles from Dublin, at Eight Sovereigns, groom's fee included.

Sweetmeat started twenty-four times as a two and three year old, and was only beaten once: he was both speedy and stout. He is the sire of the colt Peppermint, a winner of two races, and of the filly My Fancy, a winner of three races. These are the only two year olds by Sweetmeat that have appeared in public.

Sweetmeat will be named for the Grand National Produce Stakes.

For further particulars see handbills, and apply to the groom, John Dickenson, Annfield, Castleknock.

Notice of the horse's arrival will be given.

Tearaway was got by Voltaire, sire of Charles 12th, winner of the Doncaster St. Leger, 1839, and of Voltigeur, winner of the Epsom Derby, 1850, and of the Great Doncaster St. Leger, 1850, after a dead heat with Russborough, a son of Tearaway, out of the celebrated brood mare, Taglioni, by Whisker, (the dam of those celebrated race-horses, Retriever, Fireaway, Pride of Kildare, &c. &c.)

The owner of Tearaway has subscribed to the Great National Produce Stakes, 1855, which entitles mares covered by him this season the privilege of their produce running for same.
